The Olympics

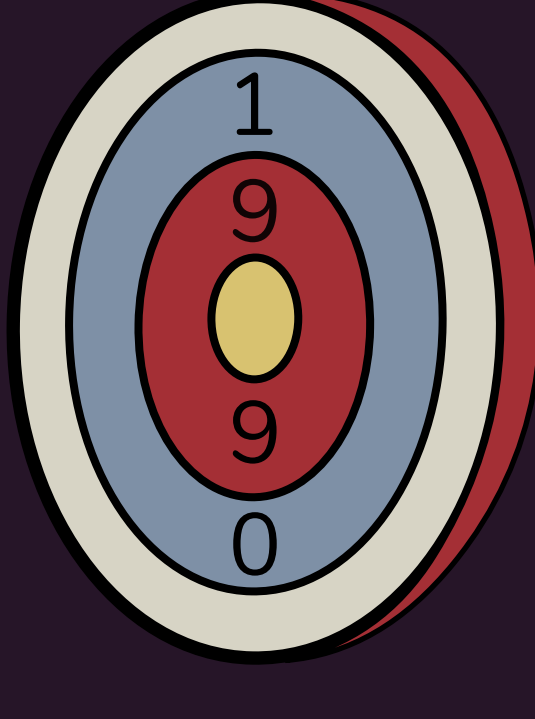

At the first recorded ancient Olympic Games in 776 BC, there was only one event, a footrace. The first modern Olympics were held in 1896 in Greece.

Since then, there have been 28 Summer Olympic Games and 22 Winter Olympic Games.

Women have been allowed to compete in the Olympics since . .

The 2016 Games in Rio have marked the first time the Olympics were held in South America.
